Company Description

Skid Row Housing Trust ends homeless by providing homes that are affordable coupled with the help needed to permanently break the cycle of homelessness. The Trust produces, maintains and manages innovative affordable rental housing for people with little to no income in and around Skid Row in Los Angeles, California. The Trust also provides quality supportive treatment and services that meet residents' needs, either directly or in partnership with other organizations. The Trust provides education about supportive housing and advocates for public policy that includes and supports the people we serve.

Company Mission

Skid Row Housing Trust is dedicated to ending homelessness and improving the quality of life for the most vulnerable people in and around Skid Row, Los Angeles.
